

Reproductive Health Act (Bill S.2796-Krueger/A.1748-Glick)

New York State Assembly, January 17, 2017

The abortion expansion bill known as the Reproductive Health Act (RHA) would empower non-physicians to perform surgical abortions, including third-trimester abortions. The RHA would also allow dangerous late-term abortions under a broad "health" exception, and would withdraw legal protection from viable infants born alive following attempted abortions. On January 17, 2017, the New York State Assembly passed the Reproductive Health Act (RHA) by a vote of 97-49. As of January 21, 2017, the Senate had not voted on this bill.
